H. Moritsugu ....

Former N.C. Editor Wins Battle To Enter U.S.A.

PHILADELPHIA.—A past editor of The New Canadian, Mr. Henry Moritsugu, 31, has won his battle to overcome the United States National Origins Immigration law — which discriminates against immigrants whose ancestors come from the 'Asian-Pacific Triangle" countries — and the right to work in the U.S. But luck played a large part.

Vancouver-born Nisei Moritsugu had been working as a "head" — titles and captions — writer for the Montreal Star when the Philadelphia Inquirer offered him a job earlier this year.

A helpful U.S. consul told him over the telephone how to fill in the forms—until he found out the prospective immigrant's name.

"Forget it," the consul advised, "You're Japanese." Since Japan has an annual quota of 186, Moritsugu might have normally expected to be admitted sometime after the year 2000.

But Moritsugu was lucky. When the Inquirer management heard about his trouble, they went to Senator Hugh Scott (R.; Pa.) who accompanied Moritsugu on a visit to U.S. immigration authorities in Washington.

Thanks to Scott's intervention, the U.S. gave Moritsugu special status: Immigration officials told him to bring his wife and two children from Montreal to Philadelphia to start work.

"I'm kind of sorry it turned out that a senator had to intercede," said Moritsugu. "This is outrageous to any Canadian who happens to be of oriental parentage."

Toronto J.C. Grade XIII Students Back On Top

TORONTO. — Results of June exams for Ontario's Grade XIII students published this week indicate that many Toronto Japanese Canadian scholars are back on top of the list.

Leading the pack are Patricia Kawai of R. H. King school with nine firsts, Shirley Hashimoto of Earl Haig, with nine firsts, and Mitsu Katsuyama of Riverdale, also with 9 firsts. Following close behind are Glen Harada of Agincourt with 8 firsts and Ronald Nikaido with 7 firsts.

Van. Miss Is CNE Model

TORONTO. — A pretty Vancouver Japanese Canadian girl will be appearing as a model in the Canadian National Exhibition. She is Miss Lorraine Tanaka. Lorraine is employed by the Canadian Pacific Airlines in their Vancouver office.

'Boomu" Next Says Shimadzu

ER. — The current
between B.C. and Japan may some day be matched by an exchange of people, the Japanese ambassador to Canada said here recently.

"There is a great interest about B.C. in Japan," said Hisanaga Shimadzu. "Of course it is too early to tell whether the increase of trade will lead to much immigration. And I have no figures.

"But already Canada has opened a special immigration office in Japan to look for qualified Japanese technicians to come here, not in numbers, but in quality."

Shimadzu, who came here for only a short informal visit, said immigration from Japan to date has been small. He said the recent increase of trade between his country and B.C. has resulted in no special problems for his consular service.

Shimadzu also spoke to the Vancouver Rotary Club and the Canada-Japan Society.

Japan's CNE Exhibit Biggest Yet

TORONTO.—This year's Canadian National Exhibition, which they are, to American immigration authorities, undesirable Asians, opened Friday and continues until sept. 6th, will witness the largest, and the best, exhibit ever put on by Japan.

With the theme "Modern Products From A Modern Nation", the Japan Trade Centre will occupy over 1,000 sq. feet for their display in the International Building alone.

A feature of this exhibit includes a Japan-made home video tape recorder. It is small and attractive enough to fit into any living room. Also featured will be an electronic computer and a complete range of color TV's, radios, stereos, etc. Four video tape recorders will be demonstrated daily with requests taken from the audience.

The video tape recorder, being shown in Canada for the first time, enables users to shoot and show instant sound movies at home. It can also be hooked into a television set to record programs for later viewing.

Tomijiro Kyozawa, executive director of the Japan Trade Centre, said the exhibit demonstrates in an entertaining and dramatic way Japan's leadership in the field of electronics.

"There will be the latest models of such articles as transistor radios and tape recorders for which Japan is well known, as well as products that have never before been seen in Canada," he said.

Japanese exhibits are featured in many of the other buildings of the CNE such as the Motor Building, General Exhibits, Better Living, etc. Many of Japan's motor vehicle companies — scooters, motorcycles, and cars — will also be widely displayed.

Japan's Top 5 Big-Game Anglers To Compete In N.S. Tuna Classic

WEDGEPORT, Nova Scotia.—Japan's top five fishermen will be arriving here next week to compete in Wedgeport's world series of fishing for tuna against topflight American and Canadian teams.

The young anglers are led by Team-captain Kenjiro Okizaki from Keio University. Others in the team are: Keiji Kato, Rikkyo University; Eichi Sugiyama, Tokyo University; Takehiko Iizuka, Keio University; and Yoshiomi Miyazaka, Waseda University.

The students are all members of an association called the Kanto Gakusei Choogyokai Renmei, or Kanto Federation of Student-Fishermen's Clubs, with membership from 12 universities in and around Tokyo.

The team of five was selected on the basis of results of fishing contest held periodically among the 1200 student members.

This is Japan's second team to be invited here. The first team that came in 1963 found that catching Wedgeport's world famous tunas in the North Atlantic were considerably different from the smaller fish of Japan.

Grand Finale Of Local Japanese Canadian Tennis Players Is Nisei Open Slated Aug. 29 At Trinity

TORONTO. — Weeks of practice under the hot sun have prepared the local netters for the coming rounds of competition to wind up the season. The Earlscourt group under the watchful eyes of Fuzzy Fujiwara are in the throes of club competition. At Trinity the club competition is under way with Tom Maikawa and Wes Morishita in command. With so many new promising players showing their wares the results may show a lot of surprises. The locals will have a chance to reverse the few adverse decisions handed out to them by the Cleveland netters in the years past as the Ohioans visit Toronto during the Labor Day weekend.

According to Cleveland veteran Mitch Hashiguchi some dozen players have signified their intentions of coming but this number may be increased by the time of the visit.

Of course the grand finale of the local season is the Nisei Open for which the entries are now being taken. The event will open on Aug. 29th at the Trinity courts for all events and classes.

Stan Takasaki has taken on the colossal task of arranging the matches; so in order to play in any event, irregardless of ability, the players are asked to place their entry with him at WA. 1-8411. All players playing districts other than at Earlscourt and Trinity are especially invited to enter. George Yanagawa and Art Suzuki of Hamilton have already entered.

Astrodome Type of Ball Park To Be Built In Japan

TOKYO.—Plans for the construction of a covered baseball stadium in nearby Yokohama were disclosed recently by Kunizo Matsuo, a well known financier.

Matsuo, president of the Yokohama Travel Corporation, said in a news conference recently in Osaka, that he planned to build the covered baseball stadium in his company's "Dreamland" amusement centre in Yokohama.

He said the stadium would seat 40,000 persons and cost about seven billion yen (19,390,000). He added that he planned to have half of it financed by friends in the United States and the remainder from interested persons in Japan.

Matsuo said he hoped to have the project started in the first part of next year and completed in three years.

Asked if he really planned to build a covered baseball stadium like that of the Houston Astors of the U.S. National League, Matsuo said, "My hobby is to build something nobody has yet attempted (in Japan)."

Free Hawaii Trip For Lucky Golfer

TORONTO. — Canadian Pacific Airline's Nisei representative, Mr. Joe O'hori reports that by paying a $1.00 entry fee at your local golf course on Sept. 11th and 12th, all golfers can have a chance for a free trip to Hawaii — on board a CPA airliner, of course.

The winner will be the guest of the Hilton Hawaiian Village during the week of the Hawaiian Open in November.

All proceeds go to the Junior Golf Development. Taking part will be courses in Montreal, Toronto, Winnipeg, Calgary, Edmonton, and Vancouver.

Mont. Hole-in-one

MONTREAL. — A Montreal Japanese Canadian achieved the golfer's dream — a hole-in-one. Koichi Sakamoto got his ace on the 155-yard fourth hole at Lachute using a four iron.

Seeks Judo, V'ball For 1968 Olympics

TOKYO.—The Japanese House of Representatives recently decided to push a drive for the inclusion of women's volleyball and judo in the events of the 1968 Olympic Games in Mexico City.

The House's Sports Promotion Committee moved to send appeals to the International Olympic Committee, which meets next October in Madrid for a final decision on the 1968 Olympic Games program, and to the Mexico City Olympic Games Organizing Committee.

Japan won the gold medal in the women's volleyball and three gold medals out of four at stake in the judo competition of the 1964 Olympics.

Both volleyball and judo were added to the Tokyo Olympics program at Japan's request but were dropped by the IOC from the 1968 Mexico City games program.

Education Minister Umekichi Nakamura also pledged his support because the Japanese people, he said are deeply interested in volleyball and judo.

SPORTS

CNE Judo Tonite

TORONTO.—The Canadian National Exhibition's Black Judo Championships will be held tonight beginning 6:30 p.m.

Competitors from the United States and Canada will play honors. There will also be a U.S. versus Canada team match.

Last year's winner, Koji Oshima, 5th-dan, is expected to fend his title.

T. Nishikawa Retains Karate Crown

TORONTO.—With whip-snapping roundhouse kicks and combination punches, Terry Nishikawa of the Nisei Karate Club again successfully defended his Japanese Canadian Cultural Centre's inter-club karate championship crown.

Tied for second place were powerhouses Steven Foster and Richard Latreille.

Surprise of the tournament was tough, little Joe Isojima participating in his first tournament, Isojima, captured third place. Following Isojima came Peter Dennison, Al Howell, and Herb Sugie.

Chief-judge Sam Hayashi was assisted by Frank Baeh and Jimmy James.

Santilli beats Yokota to take Earlscourt Singles title

TORONTO.—Antonio Santilli, reminiscent of the Boundi Basque of Three Musketeers fame, outran all opposition to win the singles title in only his second year of tournament competition when he upset, outsteadied, and outlasted powerhitter Don Yokota 6-4, 6-4 in 110 degree heat on the cement courts of Earlscourt. Tireless Tony, who wears out topflight tennis shoes in about twelve evenings, has practised the hardest this year in order to be a step ahead of his teammate Stan Takasaki, also a second year man, and well deserves his hard-earned crown. Ironman Yokota gamely played the finals despite a sore elbow, but could not hit his normally sharp, killing shots to the corners, and he also made many errors on his usually reliable overhead placements.

In the semis, cautious Tony, who can shoot bullets off either wing, elected to play a retrieving game instead and simply wore out his opponent, and coach, Fuz Fujiwara whose weakness he figured was that he could not manufacture his own pace from minuspace (?) balls without expending considerable effort; and thus bouncy Tony achieved his first upset win by a 6-4, 7-5 score. In the other semis, longstriding teenager Stan lost any hope he had of upsetting a healthy Yokota when he stepped on a loose ball and suffered a painful sprain on his ankle in the second set and relinquished the match to slugger Don 6-3, 6-4.

Still in the running in the B singles are, Ken Stewart, Macri, Tony Crupi, Toku Yano, Dave Yasui, Stan Imada, Yo Me Sets Sakai, Archie Nishimura, Sam Murakami, Jorgen Petersen, Guy Ferrari, Ray Hodgins, Wally Shankman, Vic Korneluk, Bumbaca and Dave Stock. On the distaff side, new member Lenore Bertele works out every evening with the boys, while faithful regulars Kay Takasaki, Hedy Sakai and Grace Tanaka graces our courts on the weekends, and also managing occasional appearances are Chick Miya, Kay Fujiwara, Sumi Yoshida, Evie Idenouye, Audrey Ferrari, Mary Murata, Helen Biem and Lenore Bolton.

三人は、晩市でビーシー・ポーチャス株式会社を創立した当時の功労者六人のうちの生き残りではないか」

その功労者六人というのは故山縣泰十、故大木繁太郎、故末廣勘太郎、松林平次郎、江畑興惣七諸氏および私で、當時寫した寫眞を額に入れて私は壁にかかげています。

最初は二十五人であつたのが、ミーテングを續けていくうちに、互いの意見が對立して、一人去り、二人去り、最後までがんばり通したのは、たつた六名だけでありました。かかる困難に遭遇せしありし日を江畑氏が懐古して、委しく語られました。

松林氏は、岩田櫻村氏がスローキャンに滞在されている頃、その指導をうけて俳句を始められました。近頃の松林氏の作品はメキメキと上達し、その最高の熱が發揮されてきたような観があります。氏曰く。「このごろのカナダ俳壇は、同じような詠み方が多く、あたかも一枚の芋畑の中に飛びこんで、同じ芋のツルを引つぱり合つているように見える」。

人間は百人が百人みんな異つた性質の持主であります。人さまと對談するのに眞正面から目玉を光らして語る人、目玉を横にそらし……

[illegible]、觀察して作句するのであるから、俳人各自の作品に相違のあることは、當然のことであります。

こうして三人共に打ち揃つて大いに歓喜し、雑談にふけること一時間半、こんなエンジョイなるタイムを得たことは近ごろにないと言つて、酷暑の夕べに別れを告げました。

近代国のモダン製品を

日本が大掛りな高級展示

昨二十日から開場、九月六日までつづくトロントの今年の共進会（シー・エヌ・イー）の日本側出展は、今までよりも大がかりで斬新である。トレード・センターでは昨年ように国際館内に一千平方呎のスペースをとり、"モダーンな国からのモダーン製品"という呼び声で、普通の家庭のリビング・ルームにでも備え得るテープ・レコーダーを出展して毎日デモンストレーションを行い、観客の求める日本のレコードをかけているが出品の中には色彩テービー・セットその他電子製品の最新式高級品で、これまでカナダでは見たこともないものが多い。

今年の共進会日本側の出展のもう一つの特徴は、これまでのように日本品の展示が、ただ一ヵ所に限られておらず、他の建物内にも進出していることである。自動車館、一般展示館および"ベター・リビング・ルーム"館内等に主として日本の自動車やモーター・サイクルなどが出展されている。

共進会で来る九月六日夜に

毎年催されるフエアとしては世界最大のカナディアン・ナショナル・エキスビション（共進会）は二十日から開幕されたが、今年もレーバー・デー翌日（九月六日）の夜八時十五分から、千五百余名の各人種が出す唄、ダンスなどの"ネーション・ビルダー六五"を一般に公開する。入場は無料なので同夜は早目にグランド・スタンドに入場することである。

二十余の人種別がそれぞれのお国柄を出す民謡やコーラスが大ステージで行われるが、日本人側からは「桜のダンサー」團員が總出で美しい日本着姿で踊り、昨年にまして人気をうけることになろう。

なお共進会でのファッション・ショウに田中ロレーン嬢がモデルとして出ることになっている。田中嬢はカナダ太平洋航空会社の晩市オフィスに目下働いている。

コーワン議員カンカンに怒る

日本製のカナダ國旗を今週ト市でみつけたラルフ・コーワン國會議員（オ州ヨーク・ハンバー区選出、自由）は、昔の敵国がカナダのメープルリーフ國旗を堂々と賣っていることにフンガイし『あっさり日章旗をカナダ人は買った方がよかろう』と皮肉っている。

コーワン議員はレッド・エンサインの頑固な支持者で目下ト市で開催中の『香港帰還兵カナダ協会全国大会』にふらりと姿を現わしたところ、日本製のカナダ國旗をみつけてビックリ。香港でホリョにされ、日本で苦しい監禁生活をした帰還兵の会議の會場に、かかる國旗が平然と飾られているのは言語同断だというのである。

コーワン議員は『日本製の旗を賣る者よりも、それを買う者がどうかしている』と語っている。しかし税關當局者は『メード・イン・ジャパンとはっきり記入してあれば誰が輸入しても差し支えない規則になっている』と説明している。

ロス市の暴動跡をみる

本紙の黒木記者が現地報告

【ロサンゼルス、黒木記者】十七日午後三時半（現地時間）にロサンゼルス空港についた。直ちに車を駆ってロスの東南市街地の暴動跡に足をふみ入れた。この地区は市役所付近にある"小東京"とも称されている日系人中心街の東南五、六マイルから南方一帯で、四十平方マイルに及ぶ広大な地域である。

その中でも被害の多いのはアバロン通り、マンチェスター街、サンペドロ街を結ぶ周辺で、もともと黒人住宅地域である。大ロスの人口は約六百万、うちロス市は二百五十万で、黒人は七十五万人。暴動のあった区域の住民七五％は黒人である。

この黒人中心街にある白人経営商店が被害の対象となったので、もちろんまきぞえをくった者も多い。

既に州兵一万人、警官五千人が出動して街角には剣つき銃で構えの姿勢をとっている。被害をうけているビルヂングの周囲、商店焼跡には兵隊が守りを固め、街行く人々を誰何（すいか）したり、取調べている姿が車中から見える。

大きなドラッグ・ストアセーフウエー店、スーパーマーケットなどの建物はまる焼けとなって、既に四日後もくすぶりの煙をはき続けている。街路にはウインドー・グラスの破片、投げ合ったと思われるレンガや石が散らばり、戦いの跡を物語っている。

暴動による死者三十三名負傷者九百名と公表されているが、死者のうち黒人が二十八名を占め、日系人一名も含まれている。この日系人は三世の島津という十八才の少年で、常に黒人街に出入りし、暴動の時には黒人のモップに参加していたといわれる。

州兵の出動で非常警戒は緩和されたというが、記者（黒木）の見た暴動地の様相は再発が押えられている点で、いつなんどき時限発生するかも知れない感を抱かした。夕方、記者は暴動地帯から日系人の中心地に移った。

ここは二世週間の恒例の夏祭りで、街頭には色とりどりのチョウチンが飾られ風にゆれていて不和そのもののようである。しかし、暴動による日系商店の被害もかなりあり、護身用にとピストルやガン、弾丸などが日系人の間でとぶように売れているという話を聞いた。（十七日夕、現地にて）

●黒木豫蔵氏はトロント方面の旅程を終え、十七日正午近くトロント空港からシカゴ経由ロサンゼルスに向ったもの。

日系人商店被害

【羅府新報】ワッツ地区を中心とした黒人の暴動は全く無法状態に陥り、西南区ジェファアソン大通りの日系人商店街にも飛び火し、ガラスを破壊されたり、品物を盗まれる事態に突入した。ジェファアソンと第九アベニュー角にある白人経営のニタワー・ストアは放火されて燃え落ち、隣りの日系人経営のエンジェラス・ラウンドリーはガラスを割られ、品物を盗まれた。

十一アベニュー三〇六〇の西南日系人貯蓄組合ビルディングのガラスも割られ同ビルの一階村田賓氏経営のファブリック・ランドのガラスも破壊された。隣接する田尻氏経営の十仙ストア、近くの日系人経営のリクワー・ストアなど軒並にガラスを割られる蛮行の被害を蒙った。日系人の経営するニュー・ジャパン・レストラン、南加リアルティもガラスを割られる被害をうけたが、コピース薬店は幸いに被害を免がれた。

日系人の被害者は生命の危険を考えれば店の損害はやむを得ないとの考えのようで、まだ被害のない店主なども"今夜あたりは…"と戦々兢々の有様である。

また一部では、

警官を呼んでもきてくれないし、警察力に依頼できない實情にある。自衛ということも考えなければならないだろう

と語っている人さえある。

しかし、危険な状態がつづいているため、店を心配し一睡もせず店を護った人もあった。

米軍初の大攻撃 ゲリラ集團を包圍

ベトコンに五五〇人の戰死者

【サイゴン】ベトナム戰爭における米軍の最初の大攻撃で、米海兵團はベトコン・ゲリラの一大集團を十九日完全に包圍し、南支那海上からは海路脱出を防ぐため米軍艦は猛烈な砲撃をゲリラ集團に加えた。

この包圍網中のゲリラはチュライにある米軍基地南方の半島内で必死の抵抗を試みており、約二千のゲリラは米海兵團にもかなり甚大な損害を與えていると報じられている。ゲリラの死者は約五百五十と推定され目下米軍は包圍網をじりじりとちぢめている。

この米軍による攻撃戰には百機以上の空軍が地上部隊に協力してゲリラを空爆し、海上では第七艦隊が脱出路を絶つために間断なく砲撃を加えるという最近にない大掛りな戰闘を展開中である。

米機福岡へ避難

【福岡時事通信】米空軍板付基地司令部は十八日午前現在、沖繩から台風避難のため、シー一三〇型輸送機など二十一機が板付基地に到着、台風が通過次第引揚げると發表した。

（核武装阻止福岡縣会議は、米機の板付避難は同基地をベトナム戰爭の戰略基地化しようとするものであるとの判断で、二十五日に約三千人を動員して抗議する。）

乗用車の自由化

日本政府が十月一日より實施

【東京時事通信】日本政府は今週の閣議で乗用車の輸入自由化を十月一日から實施する方針を決めた。

これについて三木通産相は記者團会見で次のような談話を發表した。

（一）自由化の方式は自動割り當て制による。また業界から出されている物品税の引き下げなどの要望は、理由のあるものはできるだけ實施するよう努力する。

（二）エンジンなどの主要部品の自由化および直接投資による外國資本の進出などについてはなお問題があるので、これらについて諸條件の整うまで自由化する考えはない。

（三）自由化でいよいよ國際競爭に對處することになるので、自動車產業においては國際競爭力確保に必要な体制整備に對して格段の努力を要望したい。

液化ガスの輸出

日本向けに努力

【ビクトリア】ビーシー州は天然ガスの加州向け輸出が不成立に終ったので、ビーシー州では日本向け輸出に努力を集中することにすると、ボンナー司法相が今週明らかにした。

ビーシー州では日商との成約で、液化ガスを日本に送ることになり、タンカーに積込むはずのところ、ストのため積込みは足踏みとなっている。

十三呎の小艇を操り 見事に大西洋を横斷

【ロンドン】クリーブランドの新聞人、ロバート・マンリー氏は、自宅のグラージ内にしまい込めるほど小さい單帆船（長さ十三呎半）を操り、マサチュセッツ州フォルマウスから單身大西洋を横斷、七十八日かかって英國コーンウォールのフォルマウス港に今週安着して大きな話題を投げている。

小型のセールボートで大西洋横斷に成功したのは同氏がはじめてで、上陸したマンリー氏は『途中六回も海中になげ出された』と語っており、あまりの淋しさに幻想をおこし自分の息子が同伴していると思い込んで話したり、キャビン内には怪物が入っていると思い込み、[illegible]を[illegible]して[illegible]するつもりでキァビン内に突き込んで、あああまぼろしだったかと気がついたとも語っているが、英國では英雄扱いの歓迎をうけている。

マンリー氏はこの体験をもとにブックを出版するといっている。

東知事の辞任

社黨議員迫る

【東京時事通信】改選後初の臨時東京都議会は十七日招集され、各黨代表が東知事に對し緊急質問を行なった。質問は東知事の新姿勢に集中、社会黨議員は『今回の都議会議員選挙は東知事への批判につながると思うが、辞任の考えはないか』と質した。これに對し東知事は次のように答弁した。

（一）辞任する氣持ちはない。議会の構成が變化したことは事実だが、それが私の不信任につながるとは考えない。

（二）肉体と精神が續くかぎり都政を担當する。

◇

【長崎時事通信】参院議員田浦直藏氏（自民）が去る十七日死去、七月の選挙で次点となっていた鶴園哲夫氏（社・新）が繰上げ當選となった。

今秋選擧を決定する

ピ首相の西部州旅行

【オタワ】ピアソン首相はビーシー州トレイル市共進会開会式にのぞんだのち、西部カナダの二州訪問の途についたが、それに先立ちオタワに過半数の閣僚が参集、ピアソン首相の旅行前に、今秋總選挙について重要協議したもようである。

自由黨内閣の大多数の閣僚は『年内選挙』に傾いており、自由黨首脳部もこれに支持を與えているが、ピアソン首相が西部旅行から帰る各地のふんいきしだいで、首相はその決断を行うことになろうとみる向きが有力である。

オタワ出發前、記者会談を行ったピアソン首相は『選挙區改正案』がまだ審議されていない以前に總選挙を行うことは非道義的だとの野黨の非難に對し『この改正案の通過を待たずに選挙を行うことになってもこれは與黨政府に決定權があるもので、それをとやかくいう野黨は、なぜ議会中に不信任案を提出して、政府を倒さなかったのか了解に苦しむ』と反論している。

移民提案を考慮

田原議員と會談した政府當局

田原春次代議士は八月十六日オタワで移民省當局と長時間會談（大使館の和智書記官が列席）したのちいったんトロントへ戻り、十八日朝米國に入り、メキシコを經てブラジルに向う答だが、十七日の夜には櫛月氏宅で全加市議の井手エドワード會長らと移民問題を中心に各方面にわたる懇談を行った。オタワでの会談については、田原氏が強調した『日系カナダ人に、日本から技能者等を自由に呼寄せる優先權（日系人一人に十人位宛）を與えよ』という意味のことは、受け容れられなかったが、

（一）日本とカナダ兩國が協調して、日本で技能者に予備訓練ないし教育をさずける。

（二）日本學生のカナダ内各分野における短期（一カ年以内）實習の二つについては、オタワ政府當局者も賛成の意向で良き考慮を拂う態度を示したと田原氏は語っていた。

佐藤首相

沖繩で立往生

【那覇】佐藤榮作首相は三日間の沖繩公式訪問で十九日到着したが、首相が米國のベトナム政策を支持し、沖繩の日本復帰問題に對する態度が手ぬるいと非難する沖繩の左翼は一大示威運動を展開、首相は兵營に避難し、一切の行事を取止めて東京に歸ることを考えている始末である。

蜂群が大暴れ

【リオデジャネイロ】アフリカ産とイタリー産の混血蜂群があばれ出し、二名をさし殺し、二週間にわたってサンパウロやリオデジャネイロ州の家畜、ブタ、ニワトリなど多数も殺されたと今週報じられている。

Many Movie Fans Are 'Looney' Over Toshiro 'Mifune'

By Taxie Kusunoki
(N. Y. Nichibei)

The night Toshiro Mifune made a personal appearance at the Toho Cinema in Los Angeles for the opening of his own production, "Samurai Assassin," the management was obliged to turn away scores of fans who could not be fitted into the theatre, even for standing-room.

"Red Beard," the newest Kurosawa-Mifune collaboration, will most certainly be scheduled by the New York Film Festival which gets under way in September. This non-samurai production brings to an even two-dozen the number of films directed by Kurosawa, and was completed only days before Mifune's departure for the United States in mid-March. In it, the latter portrays a doctor. His answer to a question from us was that this was the role that, above all others, gave him the greatest personal satisfaction.

If producer Joe Levine gets what he wants, he'll have Mifune playing Shogun Tokugawa and Peter O'Toole in the role of Will Adams in a Japanese-American filming of the story of the first Englishman to penetrate the "silken curtain." A somewhat less logical screen reincarnation being considered at the time of his visit here was Mifune as Chief Crazy Horse in a retelling of General Custer's ordeal. This, too, would be an American production.

Near the end of the press conference which preceded the premiere of his film, the unruffleable Mifune exhibited a firm disinclination to be regarded as the Japanese counterpart of American hero types. Asked for his reaction to comparisons of himself to John Wayne, Burt Lancaster and Charlton Heston, he shrugged, "I am only Toshiro Mifune."

Actual Estimates Show Over 2-Million Yearly ....

Abortions In Japan Halves Birth Rate

By NINA EPTON

TOKYO.—The number of abortions performed (legally) in Japan every year — one million is the official figure quoted by the ministry of health and welfare — is estimated to be actually more than two million.

It is said that about 30 percent of artificial abortions are performed on unmarried women; that the age group is getting younger and that the numbers are on the increase.

The Japanese Government, in an effort to cope with the increase in the birth rate after the war, passed a eugenic protection law in 1948. It has been repeatedly revised, until finally artificial abortion was admitted for physical and economic reasons on the advice of only one physician.

This revision, says one marriage counsellor, "meant nothing but declaring that if you don't want a baby you had better get an abortion."

LOWERS BIRTHRATE

As a result of this policy the usual annual birth rate of 2.7 million reported at the end of the war has been gradually reduced to 1.6 million, a reduction obtained chiefly by means of abortion rather than of a rationally planned parenthood campaign.

There are no religious taboos in Japan which would make a woman hesitate to put an end to a new life, a new soul.

But when I was in Tokyo many of the doctors I spoke to were worried by the sterility they said had resulted, and had increased to one woman in four.

Young people in Japan, the unmarried as well as the married, are anxious for advice and do not know to whom to turn. The gap between the generations is almost more marked in Japan than anywhere else and the imported post-war notions of "democracy" and "romance" have worked havoc with the time-honored family and marriage institutions.

The marriage broker, or Nakodo, is still active, chiefly in the upper income brackets and in the provinces, and most of the elderly and even the middle-aged ladies I spoke to shook their heads over the newfangled "romance" imported from the West which leads to so much trouble and divorce.

FAMILY COURTS

Young women told me that before the advent of "family courts" on the American model they had no means of expressing their grievances and in any case "it was not done" to discuss private affairs in public.

A member of the Japan International Women's Association, a lady in her forties, was all in favor of the nakodo system, which she staunchly upheld as being a firmer basis for marriage than a chance encounter in a dance hall or an espresso bar.

She had herself acted as nakodo for her private secretary, whom she summoned in the middle of our argument to ask: "Now dear, tell Miss Epton, aren't you happy with the husband I chose for you?" The young lady blushed, as most Japanese girls do so easily, lowered her eyes and nodded dutifully.

The typical, "submissive" Japanese wife conformed to the role expected of her but many would like to stand up for their rights and their happiness. All too many bourgeois husbands I met never took their wives out and assured me smugly that "they prefer to stay at home."

A school teacher's wife in central Japan entreated me earnestly to persuade her husband to "take her out more often," hoping that he would listen to me — since Western foreigners are still regarded as founts of wisdom.

ASK QUESTIONS

Many young people, unmarried and married, asked me about contraceptive practices in the West, while marital problem number one appeared to revolve round mother-in-law. Was it right, they wondered, torn between filial loyalty and their modern eagerness, to set up home for themselves, to live apart from their in-laws?

At the same time, modern girls are becoming more demanding. A team of Japanese social investigators were shocked at the results of a recent inquiry among 2,300 women in the Tokyo, Yokohama and other areas, to find that the most indispensable qualifications of a future husband was put down as his "financial or living competence."

Only three percent of the young women interviewed wanted "love" and 80 percent said they wanted "graduates from first-class universities working for first-class companies."

But high school male students, according to another survey, revealed that they would like "an innocent, pure type of girl" and that their ideal woman must be "sociable, smiling, attractive and strictly Japanese in her womanly temperament ...."

Surveys, fortunately, are not infallible and I must admit that I met very few calculating young ladies when I was in Japan. And I even overheard a young man asking his mother to find a bride for him!

"What a question!" she replied. "That was all right in the old days but you really must be more modern and courageous. Go out and look for yourself, son."

Shows Dirty Movies Before Seminar

KYOTO, Japan. — Police here in Japan's ancient cultural capital were shocked recently to discover that one of its inspectors had been involved in the illegal showing of obscene films.

The 52-year-old inspector's part in bringing about the showing of the films at hotspring resorts was reported to have come to light in a second investigation of the case of a regional manager of a life insurance firm who had been convicted.

The inspector was suspected of having borrowed 10 reels of movies from a contractor and delivered them to his friend, the insurance man.

It was reported that the police were embarrassed because they had planned on holding a seminar for police next month on official discipline.

was given a quota, based on its share of the U.S. population in the census of 1920.

There were two main areas of exception. Immigrants from the Western hemisphere—Canada and the independent Latin American countries—were not subject to quotas. Immigrants from Asia were barred, at first entirely, then all except a token quota from each country.

To insure that Asian immigration stayed low, a person with half-Asian blood was apportioned to the country of his blood, even if he had been born somewhere else.

No one questions the right of the U.S. to control its immigration as it sees fit. What is so irksome here is the way U.S. law creates two classes of Canadians, depending on their race. What is also irksome to the victims is that the Canadian Government has not protested to Washington about certain of its citizens being treated as "non-Canadian."

For example, David Naruse, 40, was born in Steveston, B.C., and studied medicine at the University of Toronto. He went to Stanford University in Palo Alto, Calif., to do graduate work, and as a heart specialist, felt his future was better in the U.S.

But his parents are both Japanese, and it was as a Japanese immigrant that he had to apply. His medical skills made him desirable so he only had to wait two years (one spent at the University of Western Ontario) the other working for the Workmen's Compensation Board, in Toronto, before he was admitted to the U.S.

Shrugs it off

Now settled with his wife and child in Grenada Hills, Calif., outside Los Angeles, he shrugs off the experience.

"I'm just glad I was able to make it," he said.

No area of government is more beset with emotion-arousing pitfalls, as numerous Canadian immigration ministers can attest. In both Canada and the U.S., the desire to protect the nations' racial composition and economic interests has clashed with the desire to open the doors wide to worthy applicants.

On paper, at least, Canadian immigration laws, which are getting another going over now—do not discriminate on grounds of color or race. Anyone with desirable skills and education is a potential immigrant. But in practice, those applicants who meet the tests tend to come from Western, industrialized (and white) countries.

Began in 1882

The U.S. adopted a policy of discrimination against orientals long before the quota system was approved. In 1882, while excluding paupers, criminals and other undesirables, congress barred the entry of low-wage Chinese.

When the quota system was adopted in 1924, virtually all Asians were excluded. In 1943, a token quota of 105 was given to China as a wartime ally. Later amendments gave quotas of about 100 to all countries in the Asia-Pacific triangle.

The whole system began to break down after World War II, as Congress began to make special provisions to handle masses of refugees and then their relatives.

The quotas were designed to limit immigration to 158,000 a year. But high-quota countries, such as Britain, Germany and Ireland, rarely fill their lists, and the unused amounts cannot be spread around to the countries with long waiting lines, such as Italy, Greece, and Eastern European nations.

The result is that twice as many people have come in outside the quotas as under the quotas. Last year, for example, there were 102,000 quota immigrants and 189,000 non-quota immigrants.

Bill impending

The major effect of the bill now awaiting action in the house of representatives is to eliminate the quota system. At the end of a three-year phase-out period, all countries are to be put on an equal footing, with a total of 170,000 places available. The only limit is a maximum of 20,000 from any one country in a single year.

During the three-year phase-out, unused quotas will be used to catch up with the backlog in low-quota countries.

Priority will be given to relatives of U.S. citizens and to people with skills.

The Asia-Pacific triangle and its "ancestor" clause will be eliminated, and the Asian countries take their places in the overall quota allowance.

Meantime, residents of Canada and Latin America, and the spouses, children and parents of U.S. citizens, will continue to be allowed in without limitation.

The result, according to the bill's backers, will be to boost total immigration to about 350,000 a year, about 50,000 higher than the average of the last five years.

The bill has been approved by the house judiciary committee and is expected to win approval from the full house of representatives, possibly next week. In the senate, a subcommittee under Senator Edward Kennedy (D., Mass.) has held hearings and favorable action is also anticipated. — STAR
